

CerarMist

ODOR GUARD

Eliminate and Prevent Foul Odors on Contact

CerarMist Odor Guard protects surfaces from odor penetration. Virtually undetectable by touch, CerarMist neutralizes odors associated with mold, mildew, bacteria, smoke, food, pets and other unpleasantities.

Non-toxic, non-allergenic, and biodegradable, CerarMist Odor Guard is designed for use in commercial kitchens, refuse areas, wildlife removal, kennels, disaster restoration, fire and water damage, smoke removal from dwellings, mold remediation and farm facilities. It's safe and effective to use on rugs, carpets, fabrics, hard surfaces, and metal. Eliminates all existing odors as it freshens the environment to prevent odor build up.

Direction for Use:

Proper surface preparation is critical for product performance. Surfaces must be clean and free of dirt and debris prior to application. Apply directly on odor causing source.

If mold is visible or suspected, disinfect surfaces with an approved disinfectant. Disinfectant must be DRY before applying CerarMist Odor Guard. Thoroughly coat surfaces using a spray applicator. Allow to air dry. For best adhesion, electrostatic application is strongly recommended. **Safe for use** on painted or unpainted walls, ceilings, woodwork, doors, plaster, sheetrock, concrete and other interior surfaces not harmed by water. Test in inconspicuous area first.

Disposal: Recycle empty container or dispose of appropriately. **Coverage:** 1-gallon coats up to 2500 sf of non-porous surface area. Actual coverage may vary based on surface porosity. To form an adequate protective coating, surfaces must be thoroughly covered. **Allow to air dry. Dries clear.** Follow all local rules and regulations for Personal Protection Equipment. **Storage:** Store out of direct sunlight. Do not allow product to freeze. Once opened, product can be stored for up to 12-months. Store out of reach of children and pets. **USE ONLY AS DIRECTED.** May cause slight eye irritation. Do not ingest. **First Aid:** Avoid contact with eyes. If eye irritation occurs, rinse for several minutes or until discomfort subsides. If swallowed, contact poison control for assistance.

- ✓ **Fragrance-free freshness**
- ✓ **Safe for use around people and pets**
- ✓ **Up to 6-months protection***
- ✓ **Will not degrade or discolor surfaces**
- ✓ **Protect against future odor penetration**
- ✓ **Prohibits growth of stain & odor causing mold, mildew and bacteria on dried coating surfaces**

*Undisturbed coating will remain in place for up to six-months. Reapply sooner if surface has been abraded or exposed to heavy smoke or contaminates.
